## Sign up for updates/texts from our parishes!

FLOCKNOTE is our new way of communicating with our parishes, via text messages, emails, and/or robocalls.

## YOU CHOOSE HOW TO RECEIVE THE MESSAGES!

### Two ways to sign up:

1. On you cellphone—Text “natchezcatholic” to 84576. A link will be texted back. Tap it and follow the promptings.
2. On your computer—Go to [natchezparishes.flocknote.com](http://natchezparishes.flocknote.com) and fill out the form!

*An email will be sent to you asking to verify your email address. Go to that email and click the “verify” link. This is where you decide if you want texts, emails, or robocalls.*

### To choose how you want to receive messages:

1. When you click the verify link in your email, it will send you to a new page. Click the link at the bottom that says “explore your groups”.
2. Click the little person icon shown in the top picture to the right to access your information
3. Click the groups icon 

4. If you want emails, click the envelope icon 

If you want texts, click the cell phone   
*\*consult your cell phone provider for texting fees*

If you want robocalls, click the other phone 

*\*If the icon is blue, it is activated.*

*If the icon is gray, it is not activated and you will not be contacted in that way.*
