PASTOR'S CORNER by Father Aaron M. Williams

To parents who bring their toddlers to Church despite the stress:

You are doing an incredible job by bringing your little ones to Jesus—you are literally fulfilling His command. That is what truly matters. Never feel guilty for not paying as much attention as you'd like. Attending to your children, even chasing them around at times (yes, it happens!), is exactly what God wants from you in those moments.

Remember "The family that prays together stays together." By bringing your children to Mass, you are laying a foundation of faith that will bless them for a lifetime. Do not feel guilty when it seems you didn't do anything perfectly, you are doing an amazing job!

What counts is your effort to be attentive while caring for your little ones, and God sees your dedication. God bless you!

I'd rather have church full of screaming babies than an empty church filled with silence.

FORMED[®]

THE CATHOLIC FAITH.
ON DEMAND.

Catholic Community

Based on the historical records and the personal testimony of his fellow friars, this is the amazing true story of the life of the famous stigmatic monk, St. Padre Pio, a contemporary saint who died in 1968. Blessed with incredible spiritual gifts, including healing, bi-location, reading of souls, and the stigmatic wounds, Padre Pio was a powerful witness for Christ, and a great spiritual guide to countless souls for over fifty years.

Our parish has a Formed subscription. Visit formed.org/signup and select our parish. Scan the QR code to download the Formed app to your phone.
